Iota Announces New Email Address to Accept PayPal Payments & Donations

Washington, D.C.- As of October 2017, the National Executive Board of Iota Phi Lambda Sorority, Inc. under the direction of National President Stephanie Dilworth authorized an updated email address to be used with the national Paypal account. Paypal will provide ease of payments from members, chapters, and individuals seeking to submit per capita tax, donations, etc. to support the organization's mission, programs and projects.

Below are processes that the National Board is undertaking while using Paypal. Individuals seeking to use this method for payments or donations to Iota Phi Lambda Sorority, Inc. or its foundation the Lola Mercedes Parker Foundation must assure they are specific in describing their submission using the notes section. Also, don't forget to use the Family and Friends option to avoid convenience fees. The Family and Friends option requires your account to link to a bank account, not a credit card. Iota is excited!
